Mr. David J. Baum
THE CARBONDALE NEWS
41 North Church Street
Carbondale, PA 18407

Dear David:

Enclosed are about five hundred posters/announcements about the Thursday night meeting of the Committee to Restore Carbondale City Hall.

On Thursday afternoon, I will hand these out to everyone I see on the streets of Carbondale.

In the meantime, perhaps some volunteers can be rounded up to get these posted in store windows and on bulletin boards around town. John Buberniak (282-2718) may be willing to take charge of this distribution. He is one of Mr. Pascoe's students at the High School, and perhaps he can give a bunch of these to Mr. Pascoe who, in turn, will distribute them to his colleagues on the faculty at Carbondale Area High School. If all of the teachers at the High Schools were to announce this meeting to their classes on the 17th, we would, I think, be assured of a good turn out of the youth of Carbondale.

With any luck, this package will be delivered to you around mid-day on Tuesday.

See you on Thursday morning at 9 A.M. at the News office.

Sincerely,

Robert
